From: Division of Criminal Justice Services Record Review Unit
Subject: RECORD REVIEW RESULTS

A search of the New York State Division of Criminal Justice Services' (DCJS) files, using the fingerprint impressions submitted with your record review request, has been conducted:

The attached fingerprint based response may contain:

- An identification to a criminal history report which includes all criminal history information maintained on file by DCJS that pertains to you; OR
- An indication that you have no criminal history record information

A second search of sealed records, based solely on the personal descriptive data you provided, was also performed. If that search resulted in a possible identification, the resulting sealed criminal history included, is provided to you in accordance with subsection 2 of Criminal Procedure Law Section 160.50 and is only based on a search of the personal descriptive information you provided. This sealed information is not to be regarded as a positive identification because it is not the result of a fingerprint search. DCJS disseminates sealed information only where authorized by law to do so.

If you wish to challenge the accuracy or completeness of any information contained in your criminal history report, please refer to the enclosed **Help Us Help You** document and complete the enclosed Statement of Challenge form. If you choose to challenge, please return the Challenge form, and any supporting documentation to the attention of the Record Review and Challenge Unit at the above address. Please note that DCJS cannot modify any data without written authorization from the reporting agency.

If your report is modified as a result of a successful challenge, a new copy of your criminal history report will be mailed to you. If you have any questions, please write the Record

Review and Challenge Unit at the above address, or telephone (518) 485-7675 or (518) 457-9847.

NOTE: Labor Law sec. 201-a. Except as otherwise provided by law, no person, as a condition of securing employment or of continuing employment, shall be required to be fingerprinted.
